ARK AID STREET MISSION

CASE FOR SUPPORT IN INSTALLING SHOWERS AND LAUNDRY FOR USE
BY LONDON'S MARGINALIZED AND HOMELESS

SHOWERS OF DIGNITY

*Dear Business owners, trades people and
community partners*

Thank you for taking a moment to read this short appeal to help Ark Aid Street Mission install two showers and bathrooms and laundry facilities for the use of marginalized and homeless in our community.

In order to provide shower and laundry services at the Ark we are seeking financial, labour and in-kind product donations to install the bathrooms and stock supplies needed to run this program. We currently have a dedicated team of skilled and well established Contractors heading up this initiative and are seeking the following:

- Flooring
- Fixtures
- Tiles
- Plumbing work
- Electrical work
- Heating/Cooling
- Cabinetry and shelving
- Stack-able Laundry sets (2)

WHAT A SHOWER MEANS TO THOSE LIVING WITHOUT!

*"A shower provides a moment
of peace, an opportunity for
refreshment and a sense of self
worth like nothing else can for
those of us who are on the
street."*

~ Ark Aid Mission Client

*"I feel more like myself after
having a shower."*

~Ark Aid Mission Client

HELP US, HELP OTHERS!

Ark Aid Street Mission is funded primarily by private donors. It is an organization that provides basic needs, community and support to those living on the margins of society in and around Old East Village. During the Covid-19 pandemic we have been one of very few organizations that have allowed public access to restrooms and indoor space for relief from the outside elements (heat, rain, etc). With winter on the way, and Covid restrictions continuing, public access to many services and inside spaces that our population relies upon are still inaccessible. This has meant that the requests for showers and laundry have been particularly growing.

In return for your generous contribution, we are able to provide tax receipts as we are a registered charity. In addition, we have recognition through social media as well as our quarterly newsletter that is mailed to over 1000 homes in London. We look forward to sharing the impact of this program with you as it is established!

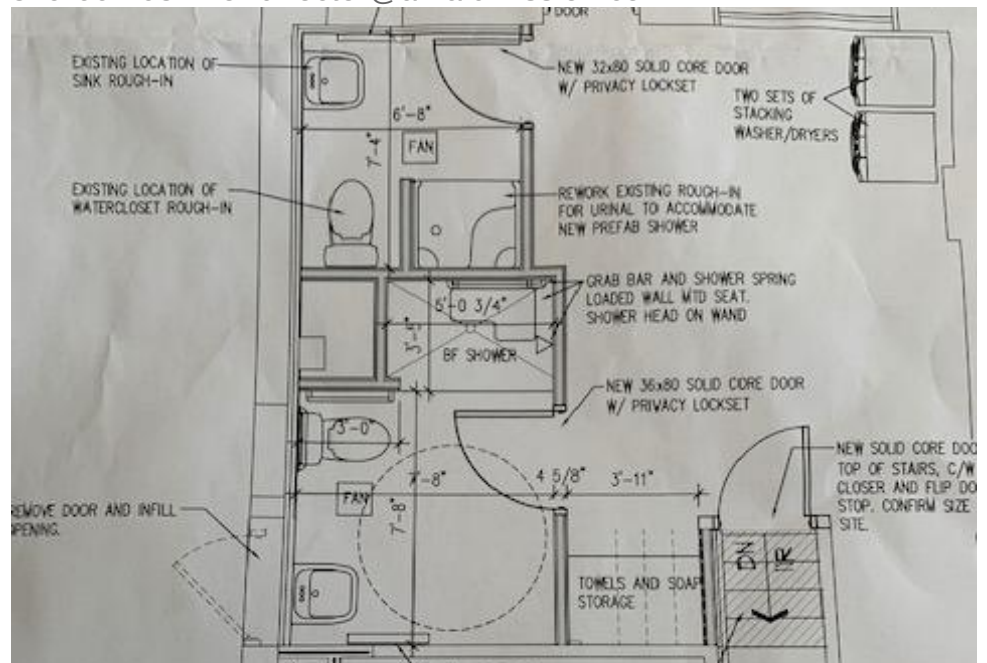

Thank you for considering what you can do to make a difference! I am happy to meet with you, give a tour of the Ark and answer any questions you may have about this project or the work of Ark Aid Street Mission.

Warm Regards,

Sarah Campbell

Executive Director, Ark Aid Street Mission
